Transportation

Kimpton Hotel Allegro is easily accessible via car, taxi, or public transit on the "L" train system from Midway or O'Hare airports, as well as the Metra from nearby Union Station.

Taxi: Fare from Chicago O'Hare is \$40-45; fare from Chicago Midway is \$20-25; depending on traffic.

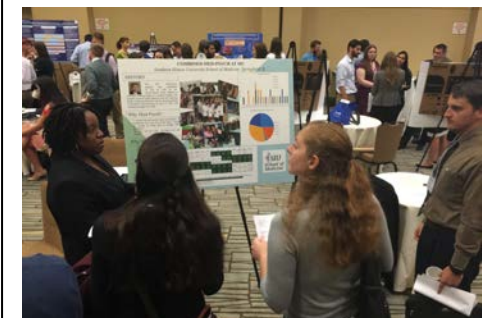

Airport Express:

Shared airport shuttle service to downtown hotels, requires a reservation. Discounts may be available for booking round trip. Phone: 1-888-284-3826

Train:

From Chicago O'Hare: Take the Blue Line to Clark and Lake. Cross the street to Randolph and LaSalle. (~45 min.)

From Midway: Take the Orange Line to the Wells and Washington stop. Walk one block north and one block east. (~40 min.)

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint provision of Amedco and the Association of Medicine and Psychiatry (AMP). Amedco is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

Amedco designates this live activity for a maximum of 14.5 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Educational Objectives

AMP Annual Meeting.

Objectives: Improved clinical knowledge and skills, both from the pathophysiological perspective but importantly from the patient perspective, and improved understanding and competence to optimize patients' behavioral and medical health in the following domains:

- HIV Medicine
- Transplant Medicine
- Adolescent Medicine
- Sports Medicine
- Use of cannabis
- Novel interventions in integration
- National data and outcomes from efforts to integrate primary care into mental health settings

APA Collaborative Care Training: *The Integrated Care Approach: Practical Skills for the Consulting Psychiatrist.*

Sponsored by the American Psychiatric Association (APA) as part of the CMS Transforming Clinical Practice Initiative (TCPI).

Objectives:

- Make the case for integrated behavioral health services in primary care, including the evidence for collaborative care.
- Discuss principles of integrated behavioral health care.
- Describe the roles for a primary care consulting psychiatrist in an integrated care team.
- Apply a primary care-oriented approach to psychiatric consultation for common behavioral health conditions.

Attend the **Gala Dinner and Awards** on Friday night! In addition to presentation of the Fenton, Kathol, vignette and poster awards, there will be a talk by **Lifetime Achievement Award** winner **Dr. Jürgen Unützer**, a pioneer in integrated and collaborative care.
